Dear Barb,

On behalf of the Northeast Ohio Affiliate of Susan G. Komen for the Cure, we sincerely thank you for your support of the 2007 Komen Race for the Cure.

We hope you'll enjoy the enclosed gift. It symbolizes the hope you brought into many survivors and co-survivors lives.

This year's race was a great success at our new location and on our new date, thanks in large part to you! We had nearly 20,000 race participants and have raised over \$1.5 million so far, but the money is still coming in! Through your contribution you bring us closer to a cure and ensure a better future for all women and their families.

The Race is a vital event to Komen. So many generous people like you have donated their time and financial contributions to the Race since it started in Northeast Ohio fourteen years ago. This year, due in large part to the 2006 Race, we were able to award over \$1.1 million to breast cancer research, education, screening and treatment projects. Next year we hope to add to that amount.

Again, thank you for joining us in the fight against breast cancer. With your help and the help of other caring individuals and organizations, we are truly getting closer to our goal of ending breast cancer forever.

Sincerely,

Traci Herbruck
